

GREAT SILK WAY

URAL SIDECAR MOTORCYCLE TOUR

Uzbekistan

In this tour we go by motorcycles on the route of the Great Silk Way which for many centuries ago led through Central Asia. Like ancient merchants we go through the Great Silk Way to its centre – mysterious Uzbekistan.

Uzbekistan – is the country of ancient civilization and great culture, lullaby of many nations and centre of many empires. It is, indeed, the most charming republic of the Central Asia. It is the real centre of the famous monuments of architecture, ancient cities, cultural and mental things, scientist centers and schools. There lived many merchants, scholars, who influenced much on the development of world civilization.

We visit the most famous historical centers of Uzbekistan – Tashkent, Samarkand, Bukhara, Shakhrisabz. Some of these cities are included in UNESCO. The age of some cities is more than 2500 years old. It is a real exotic! It is a fairy-tale in real life!
